## R or H Descriptors:

H319 Causes serious eye irritation

## S or P Descriptors:

## P102 Keep out of reach of children

P305+351+338 IF IN EYES; Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do - continue rinsing
P337+313 If eye irritation persists; get medical advice/attention

Additional Information
Workspace Exposure Limit (WEL)

| Primary route(s) of entry : Absorption, Ingestion, Inhalation |  |
| :--- | :--- |
| This is a Group A Substance. | The quantity used per batch or work period is: Small (<1kg or <1I) |
| The Substance is a Liquid of Low volatility |  |
| General is the control measure appropriate to control the health risks from the use of this substance. Health Surveillance is not required. |  |

## Existing Control Measures

1. Skin: After prolonged use, rinse affected area with water. In the unlikely event of irritation or soreness developing, seek medical advice. Launder contaminated clothing before re-use.
2. Ingestion and Inhalation: Do not induce vomiting, unless instructed to do so by medical personnel. Rinse mouth with water and drink 1 or 2 glasses of water or milk. Seek medical attention.
3. PROTECT THE ENVIRONMENT: If very heavy contamination of drainage systems or watercourses is unavoidable, such as quantities of 1,000 litres or more to be flushed at one time, immediately inform appropriate authorities. Small spills may however be safely flushed away with plenty of water.
4. Please refer to the Safety Data Sheet for full details.
