### Ecoserv Group Ltd

Stables 1, Howbery Park, OX10 8BA

<b>KLEENEX® Everyday Use Hand Cleanser (6331)</b>	<b>Date of Assessment :</b> 19/12/2022	<b>Reference :</b> KLEENEX® Everyday Use Hand Cleanser (6331)
<b>Risk Assessor :</b> Cheryl Fry	<b>Risk Assessor :</b>	
<b>Other People Involved in Making This Assessment :</b>		

<b>R or H Descriptors:</b>	<b>S or P Descriptors:</b>
<b>Additional Information</b>	
<b>Workspace Exposure Limit (WEL)</b>	

<b>Primary route(s) of entry :</b>	
<b>This is a Group Substance.</b>	<b>The quantity used per batch or work period is: Small (&lt;1kg or &lt;1l)</b>
<b>The Substance is a Liquid of Low volatility</b>	
<b>is the control measure appropriate to control the health risks from the use of this substance. Health Surveillance is not required.</b>	

<b>Existing Control Measures</b>
1. All employees receive induction training upon commencement with the Company
2. Products to be kept in containers have their caps/lids in place and secure when not in use to prevent spillage
3. Avoid accidental ingestion or injection by following manufacturers instructions and COSHH safety data sheet
4. Spillages prevented. Products in containers have their lids in place and secure when not in use
5. Keep away from sources of ignition. Substances not used/stored near naked flames or points of ignition/high temperatures
6. First Aid 1: In case of eye contact : Flush eyes with water as a precaution. If eye irritation persists, consult a specialist. If swallowed : Not required under normal use. Do NOT induce vomiting.
7. Suitable extinguishing media : Use extinguishing measures that are appropriate to local circumstances and the surrounding environment.
8. Special protective equipment for firefighters : In the event of fire, wear self-contained breathing apparatus. Further information : Product contains a high percentage of water. Fire residues and contaminated fire extinguishing water must be disposed of in accordance with local regulations.
9. Personal precautions : Material can create slippery conditions.
10. Methods for cleaning up : Wipe up with absorbent material (e.g. cloth, fleece).
11. Requirements for storage areas and containers : Keep containers tightly closed in a cool, well-ventilated place.
