

GENERAL RISK ASSESSMENT

Ecoserv Group Limited

Stables 3, Howbery Park, OX10 8BA

Location: Ecoserv

Title : Wet mopping	Date of Assessment : 10/08/2023	Risk Assessor : Stephen Jones
Risk Assessment Reference : BBC	People involved in making this assessment : Stephen Jones	
Task/ Process : Wet Mopping	People at Risk : Employees, Contractors	

Hazard : Manual handling Physical harm or injury caused by using mopping equipment
Control Measures:
1. Task, Load, Individual, Environment assessment completed before starting
2. Ensure staff are trained in use of mopping systems and are aware how to use them correctly

Hazard : Uneven, Wet or Slippery Floors Physical harm or injury caused by slipping on wet floors arising from mopping process
Control Measures:
1. Always ensure Cleaning signs are deployed in high visibility areas prior to starting
2. Wherever possible do not leave wet floors and dry mop after cleaning. If impossible ensure that warning signs remain in situ until floor is dry.

Hazard : Spillages Physical harm or injury caused by liquid spillages arising from mopping
Control Measures:
1. Always ensure Cleaning signs are deployed in high visibility areas before starting
2. Any spillages to be cleaned up immediately
3. All cleaning solution and liquid containers to be closed and secured when not being directly used
4. Hazard warning signs to be used and visible
